

MAC MACHINE—DBL. 3’ FOLDING GRADER BLADES

Features:

- Requires Standard Base Machine
- Blades are constructed exactly like the main blade on the MAC Machine
- Allow you to grade an additional 6’ at the same time
- 12’ total width of grading blades means you can theoretically complete twice as much work in the same time in comparison to using just the standard MAC Machine

ADDITIONAL OPTIONAL ATTACHMENTS:

- * Soft thatching tines in front \$350
- * 7' finishing broom \$280
- * 6' Steel drag mat \$265
- * 6' cocoa mat \$345
- * Laser level receiver uprights \$275
- * Battery Charger \$285
- * Hard Tines in front \$375
- * Core Aeration attachment \$2850

FOLDING BLADES PRICE:

\$1,385.00
