

MAC MACHINE—HARD TINES ATTACHMENT

Features:

- Requires Standard Base Machine
- 1/4" x 6" tines are spaced every 1" to give you maximum effect during use
- Great for breaking up skinned infields as a 'nail-drag'
- Quick change from hard tines to soft tine attachment
- Manual adjustment on tine depth allows user to apply as little or as much pressure as they want to achieve the effect desired
- Can also be used for thatching but will give a more aggressive result than the soft tines.
